STRENGTHENING RULE OF LAW PROGRAME

UNDP Global Program on 'Rule of Law'

Countries where UNDP supports Rule of Law work: 2012

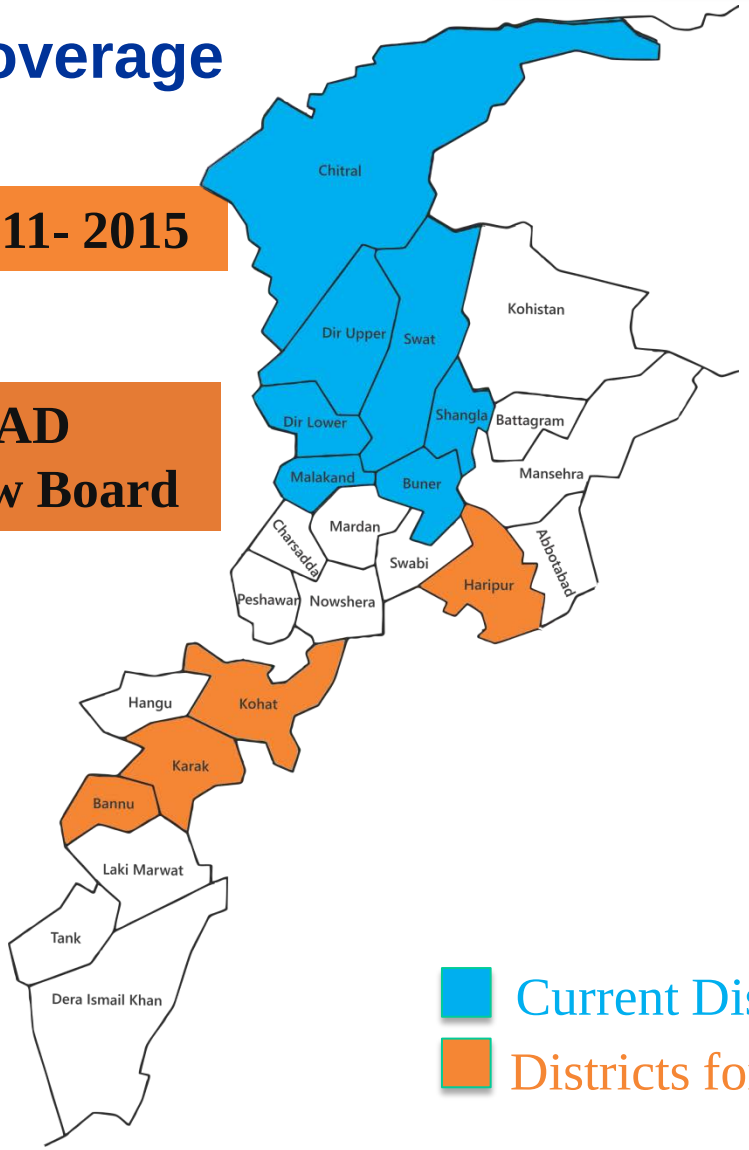
RoL Program currently in more than 100 countries

Rule of Law Programme

Geographic Coverage

Project Period: 2011- 2015

- **Approved by EAD**
- **Progress Review Board**



Rule of Law Program: Unique Features:

- The first Rule of Law project under UN umbrella.
- The only Project which has taken a holistic view of the justice sector.
- The only Rule of Law initiative which has been supported by the Provincial Government through cost-sharing with UNDP (25% share of KP Govt).
- The project with an integrated approach as UNDP does not believe in creating any parallel structures, rather it works with the existing government and non-government institutions.

Programming Features:

- Directly responding to recommendations made by PCNA & CMDS
- Address both Demand & Supply; an integrated approach
- Build on exiting frameworks, best practices & program initiatives by UN & other Donors

Integrated Approach to Justice Sector

Building Institutional Capacity:

Policy Interventions

Build sustainable solutions through policy interventions and Policy dialogues

Empowering Claim Holders:

Enhance awareness and empower vulnerable persons to better access formal and alternative grievance redress mechanisms

Capacitating Duty Bearers:
